## Rotary May Day Parade

The Rotary May Day Parade will be held on Saturday, May 13<sup>th</sup> this year. It will pass by Hawthorne Seniors Care Community between 11:30am and 1:00pm and is a wonderful sight to see. We will be placing chairs around the outside of the building for you and your family to use, so please go out and have a look! Enjoy the incredible music, costumes and decorated vehicles. Be sure to cheer the loudest when Hawthorne passes by showcasing their duet bikes this year. The City of Port Coquitlam has been celebrating May Day since 1923 and the Rotary May Day Parade is the longest running community parades on the Lower Mainland.

Any help with the preparation from now until May 12<sup>th</sup> would be most welcome as well as assisting on the day! Artistic skill, though appreciated is not necessary. Please call 604-468-5024 for more information.

## Mothers Day

Mother's Day falls on different days depending on the countries where it is celebrated. It is held on the second Sunday of May in many countries, such as Australia, Canada and the United States. It is held exactly three weeks before Easter Sunday in the United Kingdom. Sundays are usually non-school and non-working days in these countries.

Mother's Day is an annual public holiday in countries such as Costa Rica (August 15, on the same day as Assumption Day), Georgia (March 3), Samoa (second Monday of May), and Thailand (August 12).

# MAY FUN FACTS

The month May was named for Maia, the Greek goddess of fertility.

In any given year, no month ever begins or ends on the same day of the week as May does.

The priests of Vulcan in Ancient Rome used to sacrifice a pregnant sow on the first of May.

In 1644 maypoles were banned in England as a 'heathenish vanity'. Local officials who defiantly put them up could be fined five shillings a week.

In 1661, a maypole 123ft tall was put up in the Strand, London for the return of Charles II. Isaac Newton later used it as a support for his telescope.

According to old Cornish superstition, it is unlucky to buy a broom during the month of May.

No US president has ever died during the month of May. Harry S Truman and John F Kennedy are the only ones born in May.

According to the roman poet Ovid: "Bad girls wed in May."
